In appreciation of the services of Zippis Licensed Catering:

MILLENIUM DINNER DANCE

14TH January 2000

Dear Keith,

A rather belated but nevertheless well-meant 'thank you' for the excellent service on New Year's Eve. Everyone thoroughly enjoyed the occasion, and the committee have had many lovely comments and feed-back from the event.

We have since received a couple of inquiries regarding your services and have quite happily passed on your name as a recommendation for catering for two forthcoming weddings in this area.

Again, many thanks for a job well done.

Kind regards,

Yours sincerely,
